as a fighter you gain the following class features hit points hit dice 1d10 per fighter level hit points at 1st level 10 your constitution modifier hit points at higher levels 1d10 or 6 your constitution modifier per fighter level after 1st proficiencies armor all armor shields weapons simple weapons martial weapons tools none 5th level class fighter extra attack x2 6th level ability score improvement str 2 str 18 7th level fighter archetype eldritch knight spellcasting add spells scorching ray war magic 8th level class fighter ability score improvement str 2 str 20 fighter archetype eldritch knight spellcasting add spells blur 9th level class august 20 2019 dreion this guide presents

the traits feats and additional abilities that your character will acquire whenever they level up the character progression is broken down per level to facilitate the tracking of any incremental changes that can be made 1st level fighter starting features abilities hit points basic hit points 10 constitution con modifier hit dice 1d10 proficiencies armour all armour shields weapons simple weapons martial weapons tools none proficiency bonus 2 saving throws strength str and constitution con which fighter did you mean we found more than one entry for that page choose which one you want from the list below fighter classes browse and reference your favorite rpg rule sets for systems including d d pathfinder call of cthulhu and cyberpunk red here s an overview of fighter progression from level 1 12 in baldur s gate 3 level 1 fighting style feature second wind class action level 2 action surge class action level 3 fighter subclass level 4 feat level 5 extra attack class

feature what is a battle master the battle master is a fighter subclass that relies on superiority dice to manipulate the battlefield in strategic ways the battle master s maneuvers provide ways to gain advantage on attacks frighten targets parry attacks strike foes when they miss and many other combat tactics fighter any 1 warlock any x starting with a level of fighter gets you heavy armor and proficiency in constitution saving throws which are crucial for maintaining concentration this is probably most effective for the hexblade but it s a tempting option for any warlock introduction what the guide covers and what it doesn 39 t this guide contains the most powerful leveling strategies that i have to offer most likely i know all of them and they all are here guide contains several spoilers regarding bosses and game stages you should use this guide if you are an experienced player and completed the game here s a full list of fighter stats at level 1 if you want to know

more about the stat effects take a look at our dark and darker stats overview dnd fighter 5e class guide 2023 the dungeons and dragons 5e fighter class is a powerful combatant here 39 s a guide to fighting styles fighter subclasses and builds in 2023 emma jane betts published 8 days ago last updated september 24 2023 introduction the fighter is a fantastic addition to any party while their skill and tool proficiencies are extremely limited fighters excel in combat they are durable have great armor and provide plenty of damage output fighter leveling guide 5e grab a weapon and choose your style because we ll be covering everything you need to know to make the best fighter in 5e dungeons dragons with the addition of new cantrips in sword coast adventurer 39 s guide war magic is better than ever a battle master fighter has learned a suite of tactical combat maneuvers through extensive study and training the fighter gains access to five

subclass features at 3rd 7th 10th 15th and 18th level you can read all of the battle master features in the player s handbook champion improved critical beginning when you choose this archetype at 3rd level your weapon attacks score a critical hit on a remarkable athlete starting at 7th level you can add half your proficiency bonus round up to any strength additional fighting style at 10th level you can fighter daring outlaw or noble hero dutiful soldier or self serving mercenary a fighter faces their destiny with a weapon in hand and few peers in the bloody art of violence their skills and approaches differ and they employ a dazzling array of fighting styles and special tricks yet in the end they are defined by their skill in battle last updated april 26 2022 introduction mechanically the tabaxi is very strong with a set of racial traits well suited to stealth and infiltration they tend to excel in classes which already have good skills like the bard and the rogue so their two racial

skill proficiencies can expand those classes already good skills fighter hit points starting proficiencies you are proficient with the following items in addition to any proficiencies provided by your starting equipment you start with the following items plus anything provided by your background fighting style you adopt a particular style of fighting champion 3rd level improved critical doubling your chance for a critical hit looks good at first glance until you realize that you'll only 7th level remarkable athlete this is great for builds that have a lower dex stat as it allows you to act outside of combat a 10th level additional
